

INTRODUCTION

This manual contains generic policies and guidelines that are designed for use in Primary Care settings throughout Devon, Cornwall and the Isles of Scilly.

They are intended only as a guide and should be customised for individual Practice needs/requirements.

If you would like assistance or advice on the interpretation or application of any of these documents, please do not hesitate to contact the Occupational Health Service (see below).

	Monday to Friday from 8:00am – 5:00pm: 01752 762116
